## WAR IN BRAZIL

A SERIOUS CONFLICT ON THE  
FRONTIER OF BRAZIL.

## URUGUAY PROTESTS

The Brother of the Mayor of Santa Ana is Arrested by the Uruguayan Police and Trouble Follows.—It May be Cause of Much Carnage.

Montevideo, Uruguay, Nov. 5.—A serious conflict has taken place on the Brazilian frontier between the Uruguayan police and the Brazilians. Several persons have been killed and a number have been wounded. The Uruguayan police arrested a man named Gomez at Riviera. The residents of Santa Ana crossed the boundary line and made the attack. The mayor of Santa Ana, who is a brother of Gomez, demanded his surrender which was refused. He thereupon proceeded to the frontier with a regiment of cavalry and a number of armed citizens. They opened fire on the Uruguayans, killing and wounding a number. The Uruguayan consul at Santa Ana was stoned by a mob.

The Uruguayan minister at Rio Janeiro has protested against the proceedings to the Brazilian government, and the Brazilian minister of foreign affairs has replied lamenting the difficulty, and saying that he would investigate it immediately.

## CARNEGIE ART EXHIBITION.

Splendid Representation Made by  
Leading American Artists.

Pittsburg, Pa., Nov. 5.—The eighth annual art exhibition of the Carnegie Institute, which opened today, is notable for the splendid representation made by leading American artists. Never before, probably in the entire country, has there been held a more representative exhibition of all that is best in American painting and sculpture. While the competitive exhibition is limited solely to the works of American artists, there is exhibited at the same time, in a separate gallery, a notable collection of paintings from the International Society of Sculptors, Painters and Gravers of London.

## A Pathetic Case.

D. B. Sullivan and four little children left yesterday for Elk City, O. T. He came to Texico for the benefit of his wife's health last June, but the cruel clutches of consumption had fastened its unmerciful grasp, and she passed away soon after their arrival at Texico, leaving a heart-broken husband and four little children, two boys and two girls. Soon after the death of his wife Mr. Sullivan brought the children here where they have been with his mother, Mrs. J. B. Tucker. He will leave Oklahoma and he will return to the Pecos Valley later on.

## TENNESSEE ENDEAVORERS.

A Program of Exceptional Interest  
Has Been Arranged.

Jackson, Tenn., Nov. 5.—Decorations of red and white flags and bunting are much in evidence today in honor of the delegates to the West Tennessee Christian Endeavor convention, which will be in session during the remainder of the week. Scores of delegates and other visitors have arrived and from all appearances the attendance will be unusually large. A program of exceptional interest has been arranged for the meeting. In addition to the regular business relating to the affairs of the organization there will be addresses by a number of Endeavor workers of note, including Ira Landreth, G. W. Shelton and Rev. E. E. Hendrick. The people of Jackson have thrown open their homes to the delegates and nothing is being left undone that would contribute to their pleasure or comfort.

## VISIT THE PORTE.

Ambassadors Notify the Sultan that  
They are Instructed to  
Support Reform.

Constantinople, Nov. 5.—The British, German, French and Italian ambassadors visited the Porte yesterday and notified the Turkish officials that they are in receipt of instructions from their respective governments to support the Austro-Russian reform scheme. The Porte objects to the control feature of reforms.

## NORTHERN ILLINOIS TEACHERS

Attending Semi-Annual Meeting at  
Joliet.

Joliet, Ill., Nov. 5.—From every direction and on every train throngs of teachers are arriving to attend the semi-annual meeting of the Northern Illinois Teachers' association. Present indications are that all previous attendance records will be broken, and that the convention will be the greatest in the history of the association. Jacob A. Riis of New York is one of the prominent speakers to be heard. Teachers who have arrived praise the general arrangements very highly.

## RACING AT PIMLICO.

Steeple-chases, Hurdle Races and  
Flat Races.

Baltimore, Md., Nov. 5.—The stables at Pimlico are well filled with horses which have come from Canada, New York, Philadelphia and other places, and bright prospects exist for the success of the race meeting which began today under the auspices of the Maryland Steeple-chase association. The meeting is to last one week. The program is made up of steeple-chases, hurdle races, and flat races.

## TO PROTECT CATTLE.

Address Ordered Printed.

Cincinnati, O., Nov. 5.—At today's session of the American Humane Society an address was delivered by E. K. Whitehead, secretary of the Colorado Bureau of Child and Animal Protection. ## PANAMA REVOLT

ALL IS INTENSE EXCITEMENT  
ON THE ISTHMUS.

## NO FOREIGN INTERFERENCE

Old Countries Will Look to the United States and Will Remain Strictly Neutral.—The United States is Sending a Competent Force to Panama to Preserve Order.

Washington, D. C., Nov. 5.—The Navy department received a cablegram from Commander John M. Hubbard of Nashville dated yesterday from Colon, saying he had landed the marines and was taking such action as was necessary to protect the lives and property of American residents.

London, Nov. 5.—The British officials' attitude to events in Panama is that it is entirely a United States affair. The question of the recognition of the Panama's independence depends entirely upon the action of the United States.

Berlin, Nov. 5.—The Associated Press is advised today that Germany will observe complete indifference in regard to the political side of the revolution in Panama.

Colon, Columbia, Nov. 5.—Much anxiety prevails in all quarters today. It is recognized on all sides that the crew of the Nashville will be quite inadequate to cope with the situation ashore, should a serious disturbance occur, and the arrival of the "Dixie" is anxiously awaited. It is hoped that she will reach the Colon soon, but no telling what may occur before that. The Nashville is now preparing to land a detachment of blue jackets. The commotion on the shore is intense.

Washington, D. C., Nov. 5.—Formal announcement has been received by cable at the State department of the establishment of the new government at Panama. The dispatch states that the new government is capable of maintaining order. The cablegram comes from the three consuls constituting the new government and signed by Frederick Boyd, Jose Augustus Arango and Thomas Aris.

Panama, Nov. 5.—Telegrams received at the navy department today announce the departure of the Atlanta from Kingston for Colon, and the Boston from San Juan Del Sur for Panama. It is not believed that any additional ship can get to Colon or Panama before tomorrow. Later today the department has received the following dispatch from Commander Hubbard: "Have withdrawn forces and landed. No bloodshed."

Washington, D. C., Nov. 5.—Pres-

ident Roosevelt has had many conferences on the Panama situation today. His information on the exact condition of affairs at Panama is as yet too meagre to warrant a statement outlining the policy of the administration.

Washington, D. C., Nov. 5.—(2:30 p. m.) The Navy department has just received a cablegram from Commander Hubbard of the Nashville stating that he has again landed forces from that ship to protect life and property at Colon.

## A FAILURE.

The Pueblo Title and Trust Co. Fails  
to Open its Doors.

Pueblo, Colo., Nov. 5.—In consequence of the failure of the First National Bank of Victor, Colorado, the Pueblo Title and Trust Company of this city did not open its doors for business today. The Trust Company is controlled by the Woods Investment Company.

The Presbyterian Aid Society held its regular business meeting in the church Tuesday afternoon. A plan of work for the coming year was outlined by the president, Mrs. C. A. Baker, and approved by the society. This society enters upon its year's work under very favorable circumstances and promises of a good year. Encourage it.

Washington, D. C., Nov. 5.—The First National Bank of Victor has been closed today by the order of the Acting Comptroller of the Currency, the examiner having reported the bank as insolvent. The bank examiner has been appointed as receiver. The bank was organized in September, 1900. The acting Comptroller states that the failure was due to losses which were sustained by reason of excessive accommodations extended to the mining interests with which the bank officers are connected. The statement made by the bank on September 9th showed that the deposits were over \$300,000.

Victor, Colo., Nov. 5.—Frank M. Woods, the general manager of the Woods Investment Company, who is president of the First National Bank which failed, says: "The Woods Investment Company is behind the bank and the depositors will be paid in full. The recent strike among the miners resulted in withdrawals from the bank chiefly by many men leaving the district, and our reserve was depleted."

## ONE STRIKE SETTLED.

Chicago Cannerymen in the Packing  
Houses Secure Some Advantages and Return.

Chicago, Nov. 5.—The striking cannerymen employed in the large packing houses here settled their differences today with their employers and will return to work tomorrow. There is a six per cent advance for unskilled labor, and a seven per cent advance for skilled labor. This advance has been officially accepted by the strikers.

## VOTING ON A STRIKE TO-DAY.

It is Probable that the Two-Thirds  
Vote Will Be Received.

Chicago, Ill., Nov. 5.—The employees of the city railway company are voting today to decide whether or not to strike. Leaders of the Union are confident of a two-thirds vote in favor of the strike.

## BANKS FAIL

VICTOR AND CRIPPLE CREEK  
NATIONAL CLOSE DOORS.

## DEPOSITORS NOT LOSE

The Failure is One of the Results of  
the Strike, but the Woods Investment Company Which is Behind  
the Victor Bank Will Pay Dollar  
for Dollar.

Cripple Creek, Colo., Nov. 5.—The Bi-Metallic Bank of Cripple Creek failed to open today. The notice on the door announced, "Bank closed. Statement later."

The Bi-Metallic State Bank was established in 1891 by David H. Moffat and in 1901 was sold by him to James F. Hadley and others. It was capitalized at a hundred thousand, and the deposits aggregate two hundred thousand. The officers were President, Jas. F. Hadley; Vice President, Bruno Hobbs; Cashier, E. P. Arthur; City Treasurer A. G. Jones, assistant cashier. The cashier of the bank said, "The cause of our failure to open our doors is the heavy decline in mining stocks and real estate. I believe we are able to pay dollar for dollar but we must have time."

Cripple Creek, Nov. 5.—The news of the closing of the Bi-Metallic bank spread rapidly, and it at once started a run on the Colorado Mining Company of which James F. Hadley is also president. Hundreds are now in line before the doors of the company.

Drowned and His Body is  
Being Searched For.

New Castle, Del., Nov. 5.—Parties are today patrolling the Delaware river in search of the body of John W. Proudfit, formerly one of the best known mining men in Colorado, floating down the stream and shortly before he was paddling about in it. It is not known definitely whether the drowning was accidental. Proudfit was in business in Colorado Springs about two years ago.

## TROUBLE AT PUEBLO.

The Pueblo Title and Trust Compa-  
ny Closes its Doors.

Pueblo, Colo., Nov. 5.—The managers of the Pueblo Title and Trust Company today fearing a run kept their doors closed, and made an assignment to E. P. Shrove of Colorado Springs. After examining the condition of the assets of the company today Mr. Shrove stated that the company was perfectly solvent and can pay all demands within thirty days. The deposits are about \$250,000, including the accounts of a number of working men. The assets are stated to be \$450,000.
